a. Personal Accident (incorporating Dental cover)

Parents should be aware that certain school activities might involve risk of accident or injury to pupils. The College carries for Public Liability Insurance. However, to ensure cover for a pupil parents are likely to want to take out Personal Accident Insurance. Under a policy made available by the College's insurance brokers, protection can be provided to cover accidents at school, in the home or wherever pupils travel throughout the year. The College believes that this represents good value for money. This policy also incorporates dental cover.
